6. **Proposals Rules FIS UNI Races North America (USA/CAN)**
2 proposals coming from USSA University working group, both proposals approved by committee.
 - **FIS Uni Quota Selection Proposal**
In North America there are 4 FIS-University team competition series. In the USA, the EISA and USCSA series in the east and RMISA in the west. Canada has the RESQ series in eastern Canada. All competitions are team races with official team rosters entered. In order for there to be fair competition between the teams, each team needs be able to select and enter their select participants. Many teams in the USA have CAN skiers and teams in CAN have USA skiers. There are also many foreign nations represented such as NOR, SWE, AUT etc that need to have priority for entering their teams.
Proposing to make an amendment to the existing quota rule to give priority to home league athletes. Give priority to the home league athletes if they exceed the international 16 quota.
 - Participants who are student members of the official university team entry in team competitions will be will be given priority in each nations quota selection. *
 - **FIS Uni Championship Category Proposal**
Create a new competition Category, FIS-Uni Championship, that allows for invitation only entry for series championships. Entries would be limited to only those competitors who have qualified through the rules of each FIS-University series or conference. Nations quotas (FIS-Uni 4.1) would be limited to invited participants only. Host nation, non-Uni quota (FIS-Uni 2.3) would not be available.
7. **Miscellaneous**
8. **Next meeting FIS autumn conference Zurich (Oct 2016)**
9. **Closing of the meeting**
