

Sub Committee Popular Cross- country Skiing

Online meeting September 18 2023

Report to FIS CC committee

- Report from Worldloppet Epp Paal. The season have started with races in New Zealand and Argentina, Australia had to cancel due to lack of snow, There is planned 64 events with 214 races in 24 countries. Worldloppet will educate skiers in the flourban and also would like to make video interview with expert from FIS
- Report Ski-Classics Anton Karlsson 12 events is planned from med December to April. One new race Janteloppet, Lillehammer, final race 100km. 35 teams from 11 nations

Report to FIS CC committee

- Report Flour Ban. Michal Lamplot, He informed about the testing procedure in world cup level. There will be information and education for producers and NSA in October. His information was followed by a discussion mainly from ski classic representative's about how to test in Ski Classic events. A separate meeting will be set up between FIS (Lamplot) and ski classics to discuss how the testing can be organized.
- Transgender athletes. American Birkebeiner brought up this topic in order to fins clear rules for transgender skiers. This question is already on the table in FIS. The committee will wait and see what will happen.
- Updated TD lists for popular races was presented by Robert Peets. See below

Report to FIS CC committee

A working group for updating the GUIDE FOR TECHNICAL DELEGATES AND ORGANISING COMMITTEES OF LONG DISTANCE POPULAR CROSS-COUNTRY RACES was started with Enzo Macor as leader. The results will be presented in the spring meeting 2024.
